

Introduction

- BBC Safety – video what we do
- Broaden scope beyond journalism, and not just overseas.
- Topics:
 - Travel advice and preparation
 - Traumatic Stress
 - Controlling Noise
 - Manual Handling injuries and WRULDs
 - Workplace Pressure (Stress)
 - Training and culture

Travel

- More than business travel
- Core preparation and rapid deployments
- Pre deployment screening
- Specialised advice
- Overseas emergency assistance
- Post deployment follow up

Traumatic Stress

- Not confined to people in the field
- Preparation and training
- Management issues
- Support

Controlling Noise

- Studios
- Radio
- OBs and Sport
- Performing Groups

Work Pressure

- Working time
- Change – move to multiplatform working
- Stress Risk Assessments
- Work Pressure Index

Manual Handling and WRULD

- Camera crews news, steadycam
- Galleries, edit suites, OB vehicles
- Training, DSE assessment
- Specialised equipment

Training and Culture

- Face to face and online training
- Cultural challenge of a creative community
- 'Making Safety Simple'
- Safety Guides and generic risk assessments
- Communications and events
